

Mir5 AI PlayGuide

1. Mir5_UserControl.bat

- The user directly controls the character.

2. Mir5_AIControl.bat

- The AI controls the character.

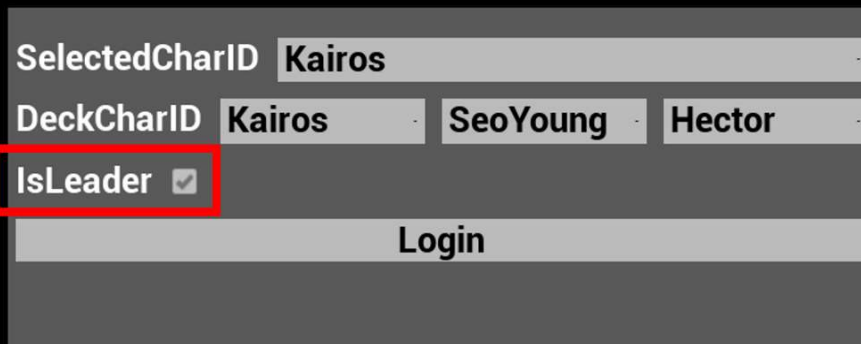

3. Notes

- The first player must launch the game using "Mir5_UserControl.bat" and log in as the party leader by checking "IsLeader".
- When a total of four players have connected, the party will automatically enter the dungeon.

Once inside, a boss will appear, and the dungeon entry time will be displayed in the top-left corner of the screen.
